“ Edna, I just found out that my good friend has passed away. We are so sad to learn this. I have been planning to go to Brady to find Javier because I could not reach him by phone. He was my first true friend and we met when we were little kids. We did all the mischievous things that little boys do when exploring life on a ranch. Our lives went in different directions but the memories of him will always stay with me. May he rest in peace. Life gives all of us different burdens and challenges. To me, he was a kind soul and a steady friend.. I will miss him

“ Edna, it is with our deepest sympathy we send this message. I met Javier in 2000 when I started working at Skinny's. He always had a smile and a kind word to say. On more than one occasion he offered to bring me a plate of bar-b-que to the store if ya'll we're cooking out, always thinking of others. Even though non of us live in Brady any more Javier will surely be missed.
