“ Jeff became our great friend while my mom was at LNR, he used to call my mom “mama” taught her how to play dominos. I would take him Tootsie rolls he loved them. Sometimes I would sit with him and Ralph and watch games on TV. When Ralph passed Jeff and I shed a few tears missing a good friend we had with Ralph. I’m sure when I tell mom she’s going to shed tears. I was just planning to go visit, I’m so sorry I didn’t get to say goodbye. Thanks for being there for me when I lost my daughter. Please say hi to Ralph and hope you get to meet my Jules. Rest In Peace no more pain. 🙏🕊️🙏🌹

“ Jeff was one of the first people to befriend my Mom when she went to LNR. He soon became very dear to her and me included. Jeff was always upbeat with a smile to share with all. We always included him when we had a couple of family gatherings, sometimes he would show up but, one to not intrude would often times decline. I have pictures of Jeff & my Mom on Christmas day last year wearing Santa Hats! A fun & cute picture I will always treasure. We were grateful to have had Jeff in mine and Mom's life even though for a short time.
