

Jerry Dean Campbell

June 17, 2021 - July 25, 2021

Jerry Dean Campbell, 74, was born June 17, 1947 and passed July 25, 2021. He is preceded in death by his Father Hurley Andrew Campbell, Mother Lois Beatrice Snipes and Brother-in-law George day. He is Survived by his Wife of 42 years Kathleen Marie Campbell, Sister Shirley Ann Campbell, brother Jimmie Glenn Campbell and his 4 children: Ryan Dean, Robert Hunter, Krystal Marie and Sonya Jo. Jerry served 7 years in the Texas National Guard, worked as a Brand Inspector for Texas Southwestern Cattle Raisers, was a conductor and brakeman for the Santa Fe Rail Road, built fence from New Mexico to Mississippi, was a government trapper for the Department of the Interior and hunted across the country in Colorado, New Mexico, Louisiana, Mexico, Arizona and West Virginia.

Jerry never met a dog he couldn't train, a mule he couldn't ride, or a jeep he couldn't wreck. He wasn't just a storyteller, he was an experience, never missing an opportunity to share his Jerry-isms with the world be it a mule loaded up in the bed of a 4X4 or a knee-slapping one-liner. As he put it, he'd never lie to you, but he might BS you. Jerry led a life that was 100% on his terms, accomplishing many extraordinary things in his years from movies to TV shows to record book trophies and so much more. He often bragged of his number one Russian Boar record with the line, "There can only be one number one." Although, at the time, he was met with playful eyerolls and chuckles from his children, we came to find that records may be broken,

trophy mounts may collect dust, but there will still only ever be one number one...and we called him dad.

“ *Our family got to know Jerry and his two adult children in the American hog Hunter show. Jerry was never a dull moment neither was the episodes that they produced. It would have been nice to actually know the man that was behind the American hog hunters. May Even though this little note is later then it ought to be, and it's because we just found this, may God be with the family each day and in their future endeavors.*

I would love to explore Texas. I hope the family is still hog hunting. Keeping Jerry's legacy shining. I would definitely help them if they needed help. Not any other hogging hunters. Campbell's # 1 in my book.

Yes, what a true Western Legend. I am going to owe the Campbell family lots of “nickels” when I use his trade mark phrase about ...Moby Dick .. sardine”. I will keep Mr. Campbell and family in my prayers.
