“ *I'll never forget the time he caught a tarantula at Caden's birthday party...Emma was with me when I was picking up South and Jessie was trying to get one of the boys to hold it! They were having no part of that (me too) but Emma took it and let it crawl on her arm! He was sooo impressed and made fun of all the boys! He always made you feel like part of the family! He will be dearly missed!* ”
