“ Sherry, I am so sorry to hear about Jimmy. You and the kids have our prayers. I wish we all lived closer so we could be a better support for each other. Please remember we love and miss you all. If at all possible we are going to try to make it on Thursday. If there is anything I can do for you or the kids please let me know. I wish I had better words to make things easier, just remember you are in our prayers.
