

Jimmy Dale Light

April 6, 1961 - April 30, 2014

Jimmy Dale Light passed from this life Wednesday April 30, 2014 in Uvalde, Texas at the age of 53. Jimmy was born April 6, 1961 in Junction, Texas to Shirley and Sammy Light. He was raised in Menard by his mother and grandparents. In 1966 Shirley married Ardell Hill who became the only father Jimmy ever knew.

Jimmy attended Menard public schools until his senior year. He went into the oilfield, and then drove a truck for several years, eventually becoming a professional Heavy Machinery Operator. Jimmy was a committee member for the Lunker Pea Bucket Club, a home away from home. In his travels of life, wherever Jimmy went he always made friends. He loved children and always wanted some of his own, it just never happened. Not to say that he didn't have step-children from previous marriages that he loved very much.

Jimmy loved riding his Harley, hanging out with his friends, family and extended family. He loved his Budweiser, jack and coke, classic rock, Copenhagen and a good pool tournament. In his own mind and maybe some women, he was a "Ladies Man". He passed on like he lived, on his Harley. Jimmy will be remembered by the many lives he came in contact with.

Survivors include his mother, Shirley Hill of Menard, 2 brothers; Rhome Hill and Ricky Light of Menard, 3 sisters; Kimberley Bailey of Mason, Jennifer

Young and Debbie Stuckey of Menard, 5 nephews; Lance Hill, Shawn Light, Jeb Voulgaris, Derek Cox, and Stuart Bragdon, 7 nieces; Theresa Castilla, Marsha and Chyenne Light, Megan Voulgaris, Holly Davis, Desiree Stuckey and Morgan Overstreet, also numerous cousins.

Jimmy is preceded in death by, his grandparents Leslie and Paula Wickson, his dad Ardell Hill and 1 Aunt, Wanda Stuckey.

The Family wishes to thank each and everyone for the prayers, donation and love that has been sent our way. A special Thanks to Tommy Headrick and Uvalde Recycling for their thoughtfulness and generosity. Also to Jimmy's extended family of Uvalde for loving and taking care of "Catfish" and while we were there making us feel at home.

“ Jimmy was in my class of 1979. I remember him being very sweet and shy. He was also a good artist, I still have a card he drew back in the 4th grade. My sympathies to the entire family.
