“ I worked for Him a the ranch for a few years. I enjoyed talking with Him and hearing Him share with Me about His beliefs about God. He was a good Friend and Role Model. I wish I spent more time with Him. One of the most hard working People I have ever met.

“ He loved Zelda and Leonidas like his own, and he loved Allura so much. I'm glad he got to know her and that she was able to be old enough to recognize him. She even was able to say Pop pop.

“ Thomas married my sister when I was 8 years old...pretty cool I was getting another older brother....might be a little tight in the house for another person but who really cared. The problem was he wasn't moving in, he was taking my Sis and she was moving out. Wow that was not what I thought was going to happen at all. It took a while to get over that, but the 10 years went by pretty fast :) During that time, Thomas taught us to fish, hunt, and what I loved the most, taught me how to ride a motorcycle, something I still do as often as I can. Thank you Thomas for being the brother-in-law you didn't have to be. For 49-50 years you was in my life and I thank the lord for it. RIP and Vaya Con Dios my brother, my friend.

“ When I was little about 2 or 3 I hurt my ankle (it was the RA), but dad sat me on the kitchen sink and gave me this stuffed armadillo from Russ to make me feel better. It's the earliest memory I can remember of him.
