“ *Always remember as a child of God he never leaves us no matter what. When things hit me hard and especially this time of year . I place my finger to my lips and kiss it and place it on my heart and say God thank you for caring for all those I have lost. Then I kneel down humbly and thank him for all he has done.... is doing ...and all he will do. So never look on your problems grab onto all his promises. See our LOVE will take us there. But it is our FAITH that brings us in. Peace always.*

“ *My heart and prayers go out to the family. Love those in life as well as those who have crossed over to claim they're salvation. Bless all those who will feel the loss of one of your Angels.*
