“ *Aunt Lamar was the sweetest lady that I've ever met in my life , I enjoyed driving to Menard and spending the day with her , we would always hit the local restaurant and enjoy a big Red !! We drove to Austin just to have some BBQ . When Harvey Noah was alive he would tag along with us girls for a good time and good food . She will be missed in our hearts forever ❤️ RIP Sweet Lady*

“ *I loved Lamar. I always looked forward to seeing her in the cafeteria when I was a kid. She was always ready to give a hug and always a sweet smile. I think she thought of all of us as her kids. She was the sweetest lady ever.*

“ *I loved Miss Lamar. She was a good friend of my Mother but I remember her as a loving, kind Lady who was also our Lunch Lady. Love you big and Rest in Peace*

“ *I remember Lamar and her sister Patsy from early years in school, probably as early as first grade, but it wasn't until our 80's that we got to know each other as close friends and lovers of Menard. I would go by her house on my scooter, and visit, usually with her little dog standing guard. We talked about the dwindling number of our classmates and memories of good times in Menard. The last time I saw her was at my going-away celebration at the old Picture Show, and she gave me a small donation for our tree fund in the park, small by comparison to others, but large in the percentage of her wealth. A ggo friend, now inmy memories.*

Lamar always had a smile and a kind word for those she met. She spread love to all, especially children. I was one of those children who received her special warmth and consideration. A great lady who will be missed. Godspeed, Lamar.
