“ *What a precious man and what a privilege it was to know and love him. I will never forget the times I spent at Uncle Lewis’s house as a kid. He always shared his faith and loved people without judgment. He always had a lesson to teach. He was even a profound influence in the lives of my own children(his great great nieces and nephew). I have thought so much about him since I heard of his passing. The Lord he truly loved has him now! He is in heaven with grandmama and all of his dear loved ones! I’ll see him again one day!* ”
