“ *To Laura and Margaret,*

It is with such sadness that we heard of the passing of your Mom. You don't know us, but we have played music at Brookdale for years. We played there yesterday and heard the sad news. Of course we were on Zoom the last couple of years. Laura, I am quite certain that you were in her room one time when we were playing a couple of songs on Zoom. While we enjoy playing for everyone there, your Mom brought us both an especial joy. She was so warm and so present. We always looked forward to seeing her and playing music for her. There are a few people in this world who make you feel better just by their presence and spirit and your Mom was one such person.

Please accept our condolences.

“ *Laura and Margaret, so sorry to hear about the loss of your beloved Mom. I have many fond memories of Leta picking us up before dawn, listening to ABBA, her coffee cup balanced precariously on the dashboard, (before cupholders) making fog on the cold windshield. She was a kind and sweet lady. We will miss her.*
