“ I am sorry for your loss. Life is not fair at times and this is one of those times. I want your family to know how special your Leti was to me. I know Leti and I haven't spent much time together but my memories of us together will always bring such comfort and laughter - great memories I have. Leti was really a great person. She had such a wonderful sense of humor. Her strength and power stood out in such a way that it was truly unforgettable to me and this is the awe inspiring impression Leti has left on me. Know in your heart that she too was blessed by having an amazing family like you. You are in our prayers. With deepest sympathy, Cheri Reyes
