“ *I have admired and looked up to Sue ever since my Mom bought some of her formal dresses for me to wear when David and Sue first moved to Tribune and David worked for Charles Harris. My parents (RIP) always enjoyed David and Sue and their children's visits to their house. Their favorite story was when Ricky and/or Danny was going to shoot the cuckoo bird on their cuckoo clock! Our families go back a long way-- my parents (Merle and Roena) and Sue's parents were good friends for years. Sue will be missed! Heaven gained another angel. Lovingly,
Trula Helmbold Harris*
