

## Louise Densman

July 28, 1944 - September 17, 2021

Alma Louise Densman, age 77, went to be with the Lord following a battle with cancer.

Louise was born on July 28, 1944 to Elec and Rose Cooper. She grew up in Rockwood, Texas and attended school in Rockwood and Santa Anna. She met and later married her high school sweetheart, Denny Densman, her soulmate of 58 ½ years.

Louise and Denny forged many lifelong friendships with their classmates. They first lived in Santa Anna, Texas and later moved to Brady, Texas, where they made their longtime home. She always found her real joy in family. She was also blessed by her community family. She enjoyed working and playing tennis because this meant people and fun. She never met a stranger.

The Densman family would like to thank each of you for every act of kindness shown to our family during this difficult time.

Left behind to cherish her memory are her husband, Denny Densman; daughter, Dorinda Anderton and husband Dusty; son, Byron Densman and wife Maya; three grandchildren, Fynn, Elec and Effi Densman; brothers, David Cooper and Ronnie Pete Cooper and wife Nola; many special sisters-in-law, nieces, nephews and cousins.

Graveside services will be held at 11:00 AM on Tuesday, September 21, 2021 in Rockwood Cemetery. Burial will follow there.

Arrangements are entrusted to Heritage Funeral Home in Brady.

“ Louise, Weezy, as she is lovingly known, along with Denny are 2 of favorite people on the planet. Even though we left Brady 3 years ago, we kept in touch and are so glad we were able to visit you a few weeks ago and get a hug. She was always a person that looked for the positive in every situation. From out of town football games sitting with you and Denny to the days when you would be spotted on the drag looking for Byron's whereabouts, lol, Pamela and I will always remember your good heart and distinctive laugh. We will miss you dearly!  
*Byron, Dorenda, Denny and her cherished grandkids, our thoughts are with you during this difficult time. Y'all are truly blessed to have had her as a Mom and Grandmother.*

“ I always had so much fun with Louise! She was always such a joy to be around. We played in the beginner tennis league together and worked at Priess dental office. And we had a private joke between us for years. So funny! I'm so thankful I was able to see her in San Angelo before she got so bad. She was still as funny and light hearted as ever. If only we could all be that way! I will always love her and have fond memories!

“ Louise and I go back a long time, when she worked a Kenwin's dress Shop on the square. I have to tell this story. When I was in high school, She has me trying on outfits, and she handed me a certain slip to go with my outfit. When I got home that evening. I still had the slip on. I was a nervous wreck. I called her and said Louise I am so so sorry, I wore that slip home. So I took it back. From the day forward even up the last time I saw her. My nickname, she would say “ HERE COMES MY SLIP STEALER”  
We laughed everytime we saw each other.  
Louise you will be missed greatly. Thank you for loving my family, and my boys and coming to there basketball games!! We had a great time!!  
Ronnie and I will miss your smiling face.  
Rest In Peace !! Prayers for this family!!
