“ I’m going to miss you Rossi work is not going to be the same you kept me busy and laughing at the same time. It would be nice to hear you finish the alfalfa letter. From the Little Rascals. I can’t get in your face anymore and you telling me I better get out your face before you get the pimp hand. Until next time Rossi. I’m going to truly miss you. Oh yeah, I’m still keeping my promise not to tell your secrets. -Qiana ❤️
