Manuela as we called her in school was one of the sweetest kindest, and soft spoken person. We graduated high school together in 1968.

In my youthful days, I would travel to Lampasas to stay with my Grandmother. This trip always included visit to Adela's home where i enjoyed laughter and she was already cooking so some good meals were also enjoyed. Loved those childhood visits. She cared for her parents and was very caring person. Her doggies also received much love and made her smile a lot. She will be missed.
