“ Hey buddy, I haven't written in a really long time. I miss you more than anything, and I hope you know I haven't forgotten about you! You're truly missed by many Marc, you were so special to many. I wish one day it'll all be normal again, you just complete the world. You complete me more importantly. You made me understand that life was so easy, now it feels as if my world is tumbling down slowly. I know you wouldn't let that happen, and I also know you miss us too! I hope you're living it up though, tell god I said "wassuh". Lol, I love and miss you so much bub
