

Margaret Sue Aguilar

July 29, 1956 - February 8, 2021

Margaret Sue Garza Aguilar went home to be with the Lord, Monday, February 8, 2021 with her Husband of 43 years and her loving son by her side in San Angelo, Texas at the age of 64.

She was born on July 29, 1956 in Brady, Texas to Antonio “Tony” and Sophie M Garza. On March 5, 1977, she married her High school sweetheart, Butch Armstrong. They had one son Tony Alexander Aguilar.

Margaret Sue graduated from Menard High School in 1975, where she participated in numerous extracurricular activities including Band and Home Economics. After High School, she attended South West Texas Jr. College. She then followed her husband, the love of her life, around the world as a Proud Soldier’s wife. She went to Germany twice where she enjoyed sightseeing, shopping, and volunteering. Margaret also had her family come and enjoy the sites while overseas touring Europe, and 1982 she went to Korea where she learned that many material things in life were not needed. She volunteered at the Recreation Center in Camp Rice, Second Infantry Division, South Korea. Margaret loved to volunteer and received numerous awards during her military life. She also spent countless hours volunteering for the Ft. McKavett State Historic Site and Ft. McKavett VFD helping her brother in whatever he needed done.

Margaret enjoyed cooking for her family and friends, and always had food at her house no matter what time of day it was. She will be remembered for her wonderful warm laugh, and the joy she received spending time with her family

and friends.

She was a member of Sacred Heart Catholic Church and the Treasurer for the Sacred Heart Guadalupanas. Margaret also volunteered with the Garden of Memories Cemetery, Club Victoria, American Legion Post 378, and the Menard Library Club.

She was a devoted wife and mother. Her son was everything to her and she went to every school activity in support of him. She was known as Ms. A, Tony's mom, or Butch's wife. As a Substitute Teacher, she loved teaching, guiding, and working with children of all ages, and inspired many of them. Margaret had a big heart, a beautiful smile, a witty personality and was a person who never met a stranger. She was caring and giving with an infinite capacity for love and she will be missed by all that were blessed to have known her.

I first met Margaret when her son, Tony, was in my class. We easily became friends. She was a wonderful substitute as every teacher knew. She became very special to me when my husband was ill and I had to miss many days to go to hospitals, she was there after he passed away and then a few months later my mom became ill and later that year passed away. Margaret was there to take over at a moment's notice and saved me writing detailed lesson plans because she was able to just come in and take over. What a sweet and generous person who always smiled and laughed. She always made me and I'm sure everyone else feel special. Margaret will be missed so much. My thoughts and prayers go out to her wonderful family.

“ Margaret was one of the kindest women I have ever known. She was my very first friend as I was a new military bride at Fort Hood. While her dear husband was training up my husband to be a good platoon leader, she was helping me navigate my new world. Butch and Margaret were really like family to us, and terrific mentors. She and I shared a desire to be moms, and had a bit of trouble with that. I know that Tony was the second love of her life (Butch being number one) and I am so glad she got to be a grandmother. Her faith, her hospitality, and her steadfast joy always ministered to those around her. She will be greatly missed. Our prayers and love to all the family and friends. Lynn and Doug Dunklin.
