“ *Leslie and Denise, I was saddened to learn of your Mother's death. She was a lovely lady who was always kind to everyone. I have many fond memories of her being my 4-H leader, being active in the Lohn School activities, working in the store, etc. May God comfort you and your families during this difficult loss.*

“ *To the family: So sorry to hear of your loss. Estelle was a year ahead of me in school. I knew Dennis well as he, Durwin Hill and I all had several ag classes together as well as just hanging out together at Tarleton. Estelle was always a very kind individual. I counted both she and Dennis as friends.*
