Mary Frances Area was born on July 4, 1930 in the city of Kanona in Decatur County, Kansas, to Jess and Mary Wilda (Stinson) Area. She grew up on a farm in Kanona, Kansas, and spent her adult years living in Nebraska, Wyoming, Colorado and moved to Texas in the late 70's. She married Glenn Max Glaze in April, 1945. Mary was blessed with two children, Kenneth Avery Glaze of Ester, Alaska, and Scott Avery Glaze of San Saba. Mary was skilled at many things, but enjoyed a career as a cross-country courier with Banker's Dispatch. Mary also enjoyed the years she spent working for various individuals throughout the community of San Saba. Her interests included cooking, playing the piano, visiting with her friends, and tending to her many cats. Mary's sweet personality made her a friend to all and a stranger to none. Mary attended the First Baptist Church in Kansas prior to moving to Texas.

Mary is survived by her two sons: Kenneth Glaze of Ester, Alaska and Scott

Glaze and his wife, Leigh Ann of San Saba, Texas; granddaughter, Brittany Marie Glaze and her fiancé Chase Love of Goldthwaite, Texas; one brother, Jim Area and his wife Bonnie of Modesto, California; and other family members living in Kansas and California.

Mary was preceded in death by her parents, and two brothers.

The family requests memorials to be made to Lighthouse Hospice of Brownwood, San Saba EMS or Pecan Valley Nursing and Rehab.

“ I am so sorry for the loss of Mary. I met Mary when we moved into the Hanks house on Dry Street where she had been living. She moved a couple of houses down the alley. We became great neighbor-friends and I enjoyed visiting with her. She would always stop by to visit me when she came by the courthouse so we could catch up. She was the sweetest, friendliest person in the world - never met a stranger. Her beautiful voice and charming personality will be missed tremendously. I will always remember Mary and was honored to have known her. My thoughts and prayers are with you all during this difficult time.

“ I'll always remember Mary as a gentle, caring person. She was a great animal and people lover. I remember how she tricked me into taking three kittens from her home temporarily while she looked for permanent homes for them. They have a permanent home. MINE! Mary gave me Bambi, Rascal, and Dutchess. Now, Mary is upstairs in Heaven with the animals she lost as well as my Dutchess. She'll always be a part of my thoughts daily. When I last saw Mary Glaze, she had been in the nursing home for about a week and she was already starting to forget what she was saying and have to ask what we were talking about, Jesus was ready for another faithful angel to come home and took an amazing one. Scott, Leigh Ann, Kenneth, Jim, Brittany, and her friends had her on Earth and had to say farewell for a brief time. We will see her again when the time comes for us to go up the stairwell to Heaven.
