Diana, even though I met your mom for some brief moments. Just knowing you were there everyday for her and of course for your dad, tells me she was such a wonderful, caring, loving, kind mom to you and your family. I

see and know what a wonderful daughter she raised!.

*God bless you and all your family . Your comadre always,

I will miss you dearly. I enjoyed the times we had. You were like my mother I didn't have. You really took care of me and my brother, we cared for you and your husband and Diana a lot. When I saw Diana at the service for my brother it was like seeing a angel.

I love you and Diana and your husband. Aurelia Gonzales
