“ I have known Merlene since we were in 5th grade. As children, we rode our bicycles all over Lohn in the summer, our mothers cooked brownies and other treats so that we could sell them to the residents at Lohn and get rich or so we thought. We both graduated high school in 1967 and we also attended Draughon’s Business College in Abilene. Since we have lived in Brady, Merlene was able to visit us a couple of times and we kept in touch with one another up to the end. My sincere condolences to her family, Merlene will be forever missed.
