“ Sarah and Ashley I am so sorry for your loss I too lost my mother on December 19 right before Christmas 4 years ago. It is was hard to think about Christmas but I did it for my children and grandchildren. Your Mom was a very dear friend I will miss her too. Sorry I won't be able to attend her service but will say a prayer for her and her girls whom she dearly loved.

“ Sara and Ashley, I am so sorry for the loss of your sweet mom. She was always so nice to me over the many years and places that we worked together. It is especially hard to lose your mom during the Christmas season. I went through the very same thing last December. But as I told myself last year, and I hope you can do as well that mom is no longer in any pain and will live on in the many loving memories that we have of them.

“ I want to send my sympathies and prayers for your family and friends. I worked with Gay and we always had a lot of fun. She had a great sense of humor. I considered her a good friend. I really enjoyed reuniting with her after many years and meeting for breakfast. Time has taken her away too soon. I am very sad that we won't be able to meet again as we had planned. She was a very caring and loving person. She loved her daughters and grandchildren very much and was so proud of them! May you find peace along the way Sweet Lady.
