“ Betty was my Mom's(Avis Prickett Ayers)great niece. She was a great source of comfort to my Mom after my Dad passed away in 2000. They talked to each other all the time, and Mom thought a lot of Betty. Unfortunately, Mom has had some dementia problems for the past 2 years, and they were not able to communicate with each other any longer. Betty inquired about Mom all the time, and I tried to keep her apprised of Mom's health (she was 91 on March 4 of this year). My deepest sympathies to the family.

“ Our family is shocked and saddened to learn of Betty's passing. She was a remarkable woman and joy to be around. Betty was a relative and members of our family have wonderful memories of her. May God give you his peace and comfort during this time.
