“ *Nelle Aylor was the first neighbor I saw when my parents and I moved to San Saba in 1996. She always took strolls up and down Dry, Whenever someone needed help, she was never procrastinated with her offers. She was a great person and I know she is upstairs smiling at the ones she had to say farewell to before she was able to join them. As she waits for her family and friends to come upstairs, she is going to keep a close eye on her as she looks down at all of us.*
