“ There is nothing more painful than the death of a child and only with the faith of God can you get through it. You were blessed with a wonderful son and will be missed by many, me included. If you ever need to talk call me.--

“ Paul was one of my favorite kidswhen I taught him at Sunday School (Beginners) and other things, he took my heart with that shy smile of his. I knew he was always going to be a special person. God gave him that smile, and now he is smiling down on us, knowing we will see him again someday. Paul, I would have taken your place if I could have, but that was not God's plan. You are not in ANY pain now!!! Save a place for me in Heaven.... because I AM going to be there someday....or sooner.....Ginger
