“ Uncle Perry I am so thankful to have grown up spending so much time with the crazy Bedford bunch! You always had a bright light about you that people couldn't help but love you! You will forever be remembered in my mind running around Gan-Gan's house with all of us cracking jokes and being told to do a million things by Gan-gan which you always did! Praying for your wonderful kids and grandkids that I know will miss you more than I can imagine! Love you so much Brittney!
