

Pete Bailey Dennis

April 25, 1936 - September 1, 2022

Pete Bailey Dennis of Adamsville, Texas passed peacefully from this world on September 1, 2022. Pete was born in 1936 in Peacock, Texas to Burris and Virgie Vencil Dennis. He was born and raised in a ranching family, but by age five, he had his eyes on the sky. He said that came about while he and his best buddy spent time sitting on two stumps out front of the one room schoolhouse, contemplating the errors of their ways. Pete served in the military and began to earn flight time and to launch and retire from a successful airline career. After retiring from the airline, he taught flight training at Central Texas College. Pete earned his MBA and began his second career in finance. Pete would always laugh and say he had to hold down a good paying job to be able to afford ranching. In 1976, he married Sandra Nance Lambert. Together they raised two fine sons. Pete was an accomplished guitar player and an outstanding country musician. His voice made him popular and a regular performer on the "Country Opey" circuit in Texas.

Pete was preceded in death by his father and mother. He is survived by his wife, Sandra, their children, and their families; Wade, Steve, Bret and Alynn. Two granddaughters, Kristalyn and Ashlyn, two sisters, Rose Buck and Jean Campbell and husband Jim, as well as numerous nieces and nephews.

Please join us in celebrating Pete's life with a casual visitation and memorial to be held in Conley Fellowship Hall at Adamsville Baptist Church on October 1, 2022 from 2:00 - 3:00 PM.

Memorials may be made, if you choose, to the Lewy Body Dementia

“ *My deepest sympathy. I remember when you and Pete visited Rube and Me. I always admired Pete - such a sweet unassuming gentleman. Rube was so fond of Pete. God bless you and family*
