“ I HAVE IN MY HOME IN SAN SABA A SHEPHERD'S 'STAFF'--that he gave me! I love! it! I dearly love it--it is sitting in the 'living room' amongst all my other 'earthly' treasures! (things like the flaming red (double cut-away) Gibson guitar that I purchased in Houston, TX-- (1960) this guitar--I played in 16 states (as an evangelist)--and British Honduras & Guatemala.
