“ Always a great friend and cheerful! I used to tease him about his large vocabulary and using " THE WORD OF THE DAY"! Thank you both for being so easy to work with. Thank you for your love and kindness with Micheal Reid as he worked for you. We will see you later--GOD IS GREAT!!!

“ I am sorry to learn of the loss of your loved one. God's Word promises that soon there will be a time when there will be 'no more death'. (Revelation 21:3,4) I have found comfort in these Scriptures and I hope they comfort you and your family as well. Please accept my condolences. Sincerely, B. Pryor

“ Chris, Britton and Kynda,
Our thoughts and prayers are with you at this time. Jim and I both have many memories of you and Roger throughout the years. He always made us all laugh and we had lots of fun. As I think about Roger and Daddy, I'm sure they are arguing over which one will do something "right"!! We will continue to pray for yall.

“ Chris you have my heart today. I am so sorry that you have lost Roger, but I know he is at peace now. But I know the loss hurts and there will always be a empty place there. You and Roger were the best friends I could ever ask for. I just wish we could have shared more time together in our life after first year of college. You and your family will be in my thoughts and prayers. May God be with each of you as you face this journey this week and weeks to come. Love you Girlfriend.

“ To Chris and the family...Roger has left such a powerful message to all of us at Hope Wellness. I was privileged to have gotten to know Roger and Chris at the Clinic. Roger became my "buddy" and a true friend. We both shared life experiences and dreams. I shall forever be thankful to have made friends with Roger and you Chris. My life is changed forever. I love you Roger and cannot wait to see you once again when I get the opportunity to cross to the other side of eternity.
