“ When John was little Jeff and I thought he was the biggest pain in the butt. I never would have thought he would become the man he became. He grew to be my best friend. There wasn't anything he wouldn't do for someone. I was so proud to call him friend.

“ I am sorry to hear of the passing of Mr. Vega. He was a very sweet man and was very professional. He was a great locksmith! He will be missed by the community. Condolences to his family. May they feel God’s arms around them as they grieve this sweet man. In Christ’s Love, Rev. Regina Maas, former pastor of Brady Presbyterian Church

“ We are so sorry for your loss. We always counted on Rueben for our key problems. He was a master of his craft. And I don’t think he ever met a stranger.

“ I am so sorry to hear this ! I got to know and become friends with Ruben when I was head of the maintenance department at Mason ISD and I always enjoyed working with him. He was an amazing person and locksmith and he knew his stuff when it came to anything to do with locks & all the things that go along with them. Most of the time he’d have Bob with him and the love and commitment he had to his son amazing. He’d share with me some of the difficulties in taking care of Bob due to Bob’s disabilities and admired him (and his wife) for the sacrifices that they made for their son’s wellbeing. We’ve lost a good man. Rest in peace my friend.
