“ Dear family and wendy,  
I know that yesterday was Father's Day and I know you must have had a hard time. Just remember the happy moment you shared with your dad. I never new your dad but I saw the pictures of his fishing and hunting. It made me start to think of the times I use to fish. So in memory of your dad Im starting to at least go salmon fishing once a year over to depoe bay oregon. Strange how someone you never met in your life can touch another persons life. Wendy you touched my life in so many ways. Thank you , thank you wendy.

“ Dear Mrs. Koch and Family  
I'm sorry for for loss of your father and husband. I didn't know Mr. Koch personally but I dated Wendy about 10 years ago and she spoke a lot about her dad and sisters and mother. having lost my mom six years ago I understand the memory's you will share in the months a head and the years a head. I find that laughing is helpful. Many blessings to you all. Again I'm sorry for your loss. Randy Rawson
