“ So very sorry to miss the service but sadly I will not be able to attend. Sam was a true asset to Three Rivers Electric and will always be remembered such. He was considered not as an employee but as “family”. This family feeling applied to the entire family as we grew together forming a true legacy under Sam’s guidance in Brownwood. He will be missed by all that knew him.

“ One memory I'm fond of is getting to work at Three Rivers under Papa for a while. I did secretary and book keeping things, but it was good to see everyone everyday still coming and going through the office and to see Papa of course.
