

## Steven G. McGinn

September 2, 1956 - July 12, 2022

Our father, Steven George McGinn, 65, of Ionia, Michigan, passed away unexpectedly at home on July 12, 2022. Steve was born on September 02, 1956 to George J. McGinn and Donna L. McGinn in Ionia, Michigan.

Steve was a loving father to James (Jaimie), Kristan (Nick) and Jonathan (Kim). He loved his children with everything he had and was very proud of who they were. He loved to talk about his children to his friends and family and made sure his children knew just how proud he was. He was also a grandfather to Dylan, Ellerie, Haven, Veronica, Emma, Luke and Audrey. He loved those around him in his own Steve way and did what he could to make them feel his love.

Steve spent most of his life between two states and cities, his home of Ionia, Michigan and with his children in Kempner, Texas. It always seemed he was buying plane tickets to go back and forth. In his hometown of Ionia, Steve spent all of his time with his beloved siblings, Sheryl Rutherford (John), Russell McGinn (Shirley), Mark McGinn (Linda) and Christopher McGinn. He was very close to them all and treasured all the time he was with them. He loved to golf often with his family in Michigan. Steve and his brothers would go to the local Moose club of which Steve was a long time member. He loved being part of the Moose and sharing this with his brothers. He talked about having some beers and playing keno with them, which was something they also loved to share. He would get so excited when they would win and would talk about it for days. Steve would also try to fly back to Ionia for the fair each

summer. He would spend time with his family and friends in the beer tent and he always talked about the chili dogs.

Steve was a diehard University of Michigan fan; you would rarely find him without a Michigan shirt or Michigan hat on. He loved Michigan football, basketball and baseball. He also enjoyed cheering for the Detroit Tigers, Detroit Pistons and Detroit Lions, many times you would find him yelling at the tv when his team was losing. He would turn it off and back on as he couldn't handle watching his team losing. His love of sports was something he shared with his oldest son James. They would watch them together often. He also loved riding with James while James went on calls to fix golf carts. Everyday he would check in with James to ask the daily schedule. Steve had a very outgoing personality, back to childhood as friends and family would say. He loved to laugh, tell his stories of his adventures and make jokes when the time presented. He loved to meet new friends, near and far and always had so many people to talk to.

Steve also loved to spend time at his daughter Kristan's house. They moved frequently and he loved visiting the new states. Seattle area was his favorite. His son Jonathan and him were constantly joking back and forth. It was a race to see who could get the first funny comment in each day. They also enjoyed talking about wrestling together.

Steve loved 70's music and would listen to it all the time. His favorite song was Night's in White Satin, a song that was also his sister Nancy's favorite as well. Nancy preceded Steve in death as well as his father George and mother Donna.

There are so many things that we could say about Steve, it's hard to sum up such a special person in very few words. We will cherish so many amazing memories that we have with him. We love our dad and will miss him greatly; we already do.

A celebration of life for Steve will be held on August 4th, 2022 from 1-4 at the Ionia Moose Club in Ionia, Michigan. Please come celebrate our dad's life and

A celebration and interment will also be held in Lampasas, Texas at Oak Hill Cemetery on August 20th, 2022 5:00-6:00PM

*We are double cousins. Our fathers were brothers and our mothers were first cousins. Our mothers were pregnant at the same time (for Steve and me) went to the same doctor, due in the same month, had the same married and maiden names and Steve's mom was told she was going to have twins and my mom was going to have a big baby. Well it turned out opposite of that. Donna had the big baby (Steve) in Sept of 56 and Marion had twin girls two months early. Steve was a person who you couldn't help but love and I always enjoyed anytime he was around. He was fun and very easy to talk to. He will be missed by many. May he RIP and my God comfort his loved ones.*
