“ *I have so many memories of our years as family/friends, and how you and the girls still call me Aunt Kim. Just to laugh with you again, to see your sweet bubbly smiling face. To hug you. To know your awesome bright personality, no matter where you were or what you were doing, is an inspiration to me. Not once did you stand me aside, you let me stay a part of your family through the years. I'm so proud of you and all that you have overcome. I'll miss you Susie til I can hug you and Bubba again. Rest now. Give Bubba , my Mom n Dad one of your big hugs for me. I love you, Susie....*
