“ Terry was a very good friend to me. We worked together on many different things. He also gave me my dog Meijo ! For that I will always be truly grateful for that one thing really changed my life he knew it would! I'll always hold him close to my heart, it was broken the day I heard of his passing! I will say a prayer for him to Freya she mholds the hall for warriors who don't die in battle . She is the head of the rhyne maidens! I know terry to be a Christian! But she is just a good friend of Odin who is in charge of Valhalla! Hall of warriors who fall in battle!hail Odin!!!!

“ *I've know Terry for a few years and I gotta say he was the sweetest, kindest man I e known. He was a great friend to me and has been there for me when others weren't. Terry loved ppl and he loved life. Terry always wore a smile on his face and made others smile and laugh with him. Your life was cut way to short, you will forever be missed and always loved. Your an angel now that gets to watch over those you love. Rest in peace. Will always remember the way you made me laugh. I will see you on the other side.* ”
