“ We sure will miss you and your sassy sense of humor! I'm so glad I got to love you over the past 9 years. Thank you for being Bear's daddy and then Jasmine's daddy. Who would have thought that a little dog would have brought our lives together like it did. Jazzy is going to miss you too but, I'll take care of her and remind her about you everyday. Rest easy, my friend. I'll miss your tight hugs the most. 💔💔
