“ It saddened my heart today when I heard about Tommy. While it has been quite a while since Tommy was a part of my life he, along with Terry and Timmy, were a significant part of my childhood. I used to love chasing parts with them when they worked at my dad's parts store in Abernathy. I learned a lot from them and they were always kind to me (even though I was probably a spoiled brat at the time). It meant a lot to me when Tommy and Terry came to my dad's funeral 5 years ago. While we never get to say thanks to the ones that helped shape us as children I am appreciative of Tommy and his brothers. I just want to say thank you to Tommy, Timmy and Terry for all you did for me when I was a kid.
