“ My dad, Jerry, knew Tommy for about 8 months while he was at the same nursing home. My dad had Alzheimers at 78...many times he would go wake Tommy up at 6 a.m....Tommy would just send him back to his room. He told us he never minded...but we knew it was a bother. He was terribly kind to my dad, Mom and I. My mom would come every day to help my dad with his lunch. Tommy made sure she got a tray, until management changed and it wasn't allowed any longer, Tommy insisted we sit at his table, by him. He knew my dad was in a bad way...but he could tell he was really something at one time. We lost my dad in May 2020. Hopefully they are meeting again in Heaven...whole and telling each other more awesome stories. We really loved Tommy, Sandra Haley and Ladana Bingham
