“ *Oh Ms Velma !! I can't even remember my high school days without remembering all the meals I cooked in your kitchen. Or that you "let us" cook I should say ! All the times we had double date nights in your back yard! You always told me I was going to grow up to be a great cook - and yes ma'am you called it! You always said I was the friend that would keep Misty out of trouble ! I'm not really sure who kept who out of trouble. But, I do know I'm who she called with her challenging life decisions regarding you. I'll keep up with her 😊 Love ya Moms !!*
