“ *So sad to hear about Butch. We moved to Brady when I was 11. My sister and I spent a lot of time at Brady pool. So did Butch and Donny. My sister and I lived temporarily at my grandmothers house until mom and dad could get to Brady. Butch and Donny would come over and entertain us. They both were very kind to my sister and I. And very kind to my parents. Even though I did not see Butch much over the years, I remember him fondly. My heartfelt condolences to the family.*

“ *I'm truly saddened to hear of Butch's passing. He'll always have a piece of my heart.*

A person that departs from this earth never truly leaves, for they are still alive in our hearts, through us, they live on. My condolences.
