“ *Mama was my best friend. We went through so much together. She was the most loving, caring, hard working woman I was happy to call my Mama. She raise us kids to respect others and always be ready to help someone in need. I will miss our long talks everyday since I was not able to live close to her. Everyday for more years than I can count spoke with her everyday until she just couldn't. You have been my hero the best mama in the world. See you on the other side. Love you for eternity* 💔💔💔 ”
